Local income tax rates are established or adjusted by county officials and reported to the Indiana Department of Revenue, where they are cross-referenced to ensure they are supported by Indiana law.

The list of rates for all Indiana counties is available on the department's website at www.in.gov/dor/reference/files/dn01.pdf. These rates affect businesses with employees who live or work in any of these counties and have income tax withholdings.

Employers with questions about these county income tax rates can contact the department at (317) 233-4016.
